

INFORMATION FOR RICHARD AND HEATHER'S WEDDING

Venue and travel

The service will be held at the church of St Helens, Bishopsgate, London EC3A 6AT. The reception will be held at the Nickleby Suite, Dickens Inn, St Katharine's Dock, London E1W 1UH. Both these venues are marked on the map.

We ***strongly recommend*** that you do not drive into the city. The church has extremely limited parking, which is reserved for musicians and families with young children. Both the service and the reception are in the financial district, and there is no on street parking on Saturdays. There is an NCP car park within walking distance of the venue (Thomas More Square) and this charges £5 for 4 hours and £7 for 4-24 hours.

Use the Transport of London Website <http://www.tfl.gov.uk> and this will give you the best route from where you've parked. The closest tube stops to the church are Liverpool Street and Bank and these can be seen on the map. Liverpool Street Station is also an overland stop.

To get to the reception from the church: Turn right into St Mary Axe and then left into Leadenhall Street. Then go right into Fenchurch Buildings and left into Fenchurch Street. Turn right into Lloyds Avenue and then another right into Coopers Row. Go straight up Trinity Square and into Trinity Place. Turn left and then right into Minories and then straight up Tower Hill. Continue up into East Smithfield and then turn right into St Katharine's Way. Finally turn left into Mews Street and you should see it there. I know this sounds really confusing but hopefully you will be able to follow someone who knows where they're going and follow them. This walk can take up to 20 minutes. You can also take a taxi cab and we will be happy to give you details if you need them.

Underground

District or Circle Line to Tower Hill. Turn left from the station and follow signs to the Tower of London and St. Katharine's Dock. On entering the Dock, walk towards the Tower Hotel. Turn left under the hotel arch. The Dickens Inn is in sight after approximately 400 yards.

By Car

When driving eastwards from Tower Bridge (north side) past Royal Mint Court on Mint Street. Turn right into Thomas Moore Street, right at T-Junction and right into St. Katharine's Way. There is a large underground NCP and Pay/display car parking in St. Katharine's Way.

When driving westwards on reaching the traffic lights at Tower Bridge turn sharp left down Slip Road running adjacent to Tower Bridge. On reaching the Tower Hotel turn left under the hotel arch. The NCP and Pay/display parking is on your left in St. Katharine's Way.

Gifts

If you would like to buy us a gift, we have a list at John Lewis which will be open from 21st April, 6 weeks prior to our wedding. The list number is 245672.
